Dear doctor,

Thank you very much for your letter of the 5th of November. It was very kind of you to write doctor.

I am very glad to hear you liked your visits in the four countries where you visited, and that you like more of Cairo and Ethiopia, the two magnificent countries. I am looking forward already to seeing these two countries. You will be bombard with questions when you are back home, about the pyramids and sphinxes.

Yes, it seems years since you left; a day means a month here. No Cat! Anyway, you are working there.

We are very well here, and having lots of rains. We went to Zomba last Monday. The garden is doing tremendously well, especially the grass. Unfortunately the Fountain seems to be taking long to finish.

I am sorry for having taken your busy time in reading this letter, as I realise

P.T.O.

how busy you are.

Hoping you are getting
on well.

Wishing you all success.

With best regards to you.

Yours sincerely,
C.T. Kedzemia

P.S.

I am alright with money
thank you very much doctor.
I will still have a little
extra from the 20th, to buy
small Christmas things.

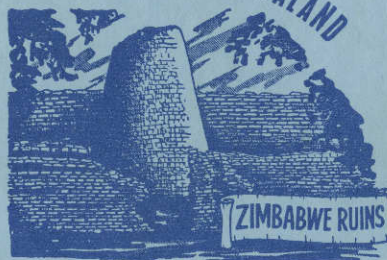

Thank you,
C.T.K.
