

FLAGSTAFF HOUSE,
ACCRA,
GHANA.

31st January, 1964.

My dear Kamuzu,

The prospect of your country's independence in July fills me with great pleasure, and I am anxious that Ghana's participation in your celebrations is commensurate with the bonds which unite our two countries. I am therefore thinking of sending a delegation of twelve headed by Mr. Kojo Botsio, as a significant manifestation of Ghana's support for your independence.

If you so desire, I am also prepared to make available to you the Ghana Police Band to assist in the celebrations as part of Ghana's contribution to your great day.

I should be most grateful for your reaction to these suggestions so that arrangements can be made to despatch the delegation and the Police Band in proper time. A list of the delegation will be submitted to you when I hear from you.

With my best regards.

Yours sincerely,

KWAME NKRUMAH

Dr. Kamuzu Banda,
Prime Minister of Nyasaland,
Zomba.
