Dear Sir,

I am aware of the unjust and sadistic way in which you and your government have treated the Jehovah's Witnesses. I am sure that they have not caused any trouble to your country or to private persons by their activities. Examine the facts!

As far as I know, you are a democratic ruler and an opposer of Communism. I also know that in none of the countries behind the Iron Curtain have the Jehovah's Witnesses been treated so inhumanly as in your country.

Jehovah's Witnesses will not cease worshipping their God, however difficult you may make it for them. They follow the teaching of the Bible: "It is better to obey God" (Acts 5:29). On the other hand, they will not rise in rebellion against the government and thus pay back evil with evil. But you can be quite sure that Jehovah God will punish you - the man responsible for all this.
