President David Jordan:-

I wrote you near commencement time in regard to the work of Miss Charlie Mear but as it was necessary for me to have an interview with her in regard to her German work it was impossible for me to make the detailed statement before June 17th. Will you kindly examine and indorse this one and forward it to Pres. Coulter. Miss Charlie wishes to return and graduate this coming year and her work has been sufficient to cover the grounds I think. Miss Charlie tells me that when she first presented her credentials you were not there. When she went to you with the skeleton outline of her work you told her that it would be all right and that it was not necessary for you to look over the paper at that time. So she supposed that her rank was established until she discovered the accident in the catalogue by which she was ranked a Sophomore. I am in

Very truly yours
