

Gentlemen of the Board

At the meeting of the Faculty this evening the Sec. was instructed to inform the Board that by the employment of Rev. Mr. Philpott for one additional hour, all the Classes but one are provided for.

Term essays, Elocution and the Care of Class Exhibitions, however are not included. By the employment of an additional teacher & the return of Prof. Jordan, all the work can surely be done.

Amzi M. Water

Secy of Faculty
