THE SMITHSONIAN INSTITUTION

WASHINGTON

Bainbridge, Penna, June 25, 1883.

Leuel Moss, D.D. &c.,

President of the Indiana University,

Dear Sir;

My busy preparation for departure from Washington for the summer campaign has prevented me from acknowledging earlier the receipt of your letter of 14th inst. and the accompanying Diploma, both of which came safely. I thank you and the Faculty associated with you for the honor conferred upon me and shall always strive to be worthy of the University which has adopted me. Believe me, dear sir,

Sincerely yours,

Farleton H. Bean.
