# Superintendent of Public Schools

FRANKFORT, INDIANA.

Frankfort, Ind., May 1 1882

Dr. Moss.

Your very kind letter concerning Mr. Frame, I found upon my return from the Supts' meeting at Snaps, last week.

I am certainly under many obligations to you for your interest in our needs.

I have just written to Mr. Frame, and if you think our salary will approach his expectations, I think I shall visit Bloomington to see him. In such event, however, I do not care that he should have foreknowledge of my coming. This I have said nothing to him about. We like the prospect and place great confidence in your words in his favor.

Hoping not to annoy you by our long-continued writings, I am most sincerely,

Richard G. Boone,

General Moss  
Pres.

As Chairman of the Executive Committee of the Indiana State Teachers Association, I have been instructed to correspond with you, and if possible, secure your consent to deliver the "Annual Address" on Wednesday Night - Dec. 27, 1902, before the Association.

This address has, for some years, been delivered by some one from a neighboring State, but it was the unanimous sentiment of the Committee aided by the Councils of Profs. Bloss, Parkell, and Bell that the invitation be extended to yourself this year.

Hoping to hear from you favorably and at your own convenience,

I am, again,

Yours,

P. G. Boone,

Chairman Exec. Com.
