—*—COLLEGE—OF—PHYSICIANS—AND—SURGEONS*—

LABORATORY OF HUMAN AND COMPARATIVE HISTOLOGY
AND MICROSCOPICAL TECHNOLOGY,

PROF. W. WEBSTER-BUTTERFIELD, M. D.
INDIANAPOLIS, IND.

Ans. Feb 27
Indianapolis, Ind. Jan'y. 30, 1888.

Prof. Lemuel Moss, D.D.

My Dear Sir,
According to a letter in my possession
from your hand, I was led to infer
that my diploma would be ready for
delivery last November. I am at any
time ready to pay any necessary fees to
secure it.

Very Respectfully,

W. Webster Butterfield.
