Dear Sir:—

Having contemplated attending the Bloomington University some time in the near future, I wish to know if the report that rooms, fire & light are furnished to two pupils from each county, be true; If not what will a furnished room cost?

I would, also, beg leave to ask why the name of the Decatur High School does not ~~the~~ in the list of Commissioned High Schools in the Catalogue of 1882-83.

Sincerely yours
M. G. Garard

Prof. L. Moss, Pres. Ind. University.
