To President of
Bloomington Univer-
sity — Dear sir —

I want to send
my daughter to school, and as
I cannot be with her would
like to put her in the care of
some one who, would take an
interest in her and in fact
take control of her as I would
do my self. I would like to
hear from you immediately, also
what her board will be and expen-
se generally. Do you have boarding
clubs? And what is the rate per week.
Expecting to hear from you immediately
I am yours respectfully Mary M. Hawthorne
