Dear Doctor Moss,

Our Institute
begins August 25. Our Super-
intendent wishes to know if
you can be with us and lec-
ture one evening.

I would be glad to see you
here. His funds will al-
low him to offer only ex-
penses.

If you can arrange it to
do so, you will be given a
hearty welcome.

Truly Yours,
Samuel E. Hearwood.

P. S. Will you send a catalogue
to Curtis P. Proth, Vandalia, Indiana?
He is a promising young man
who will attend college next
year. He is thinking some of
De Pauw.
