Dear Sir:

You have never been to Newton County since you have been connected with the State University; neither has any one else from that place.

I ask it as a special favor to Newton County for you to pay us a visit sometime during our County Institute and ^{deliver} a lecture to our teachers.

Our Institute begins on Monday, Aug. 11th, and continues in session one week.

Let me hear from you in regard to it.

Very Respectfully,

Will H. Hershman,

Co. Supt., Newton Co.,
