Rev Lemuel Moss,
Pres't. Indiana University,
Bloomington,

Dear Sir:

According to an arrangement approved by the members of the State Board, I have announced the examination for State License, June 19th. I therefore request a meeting of the board on the afternoon of the 18th. to make necessary preparations. Members will please prepare questions for the State Examination in the subjects as assigned last year.

I am provided with questions for the monthly examinations, in June, July, and May. It will be necessary, however, to prepare at least three lists at the June meeting.

Very Respectfully,

John W. Holcomb, Pres't.
Supt. Public Instruction

J. W. Conn
