My Dear Dr. Moss:

The manuscripts were duly received a day or two ago. The delay will make no difference to the applicants, as I regret to say they all failed. I hope the Board will in some way afford relief to several, who are deficient in but one subject, as follows:

K. M. Gephlinger,	Gen. Av. 79.3, Geometry 55.
M. A. Bress,	" " 77.7, Physics 47.
J. A. Jones,	" " 74.2, Arithmetic 52.
Henry Gregory	" " 73.7, Geometry 40.

With earnest good wishes for the success of the University, I remain very truly yours,

J. W. Holcomb.
