Rev Samuel Now:

Dear Sir:

We have pretty little  
stock upon the State University, written  
by a man who says he is getting up a  
pamphlet. I did not feel like printing  
it without giving you an opportunity to  
reply to it. If you desire.

If you will put in paper that part of  
your proposed lecture to the students on  
the Whimsical question we shall be  
glad to publish it.

Yours truly  
E. M. Hallford
