Ottumwa, Ia. August 19. 1884.

Dear Dr. Moss,

Am I right
in supposing that College
opens Sept. 4th on
Thursday? I expect
to be in Bloomington, Wednesday,
P. M. remaining till Saturday
noon, and lecturing on
Sunday in Indpls.

If I am wrong in
the above date, write to
me at once at Maryville,
Mo. for I should have to
change my plans somewhat.

I will give a further
account of my travels when
I see you.

In haste -

Cordially yours,

David J. Jordan.

I shipped two large boxes of
specimens from Wash'n to
Bl. the other day.
