

Purdue University.

THREE COURSES OF STUDY—
SCIENTIFIC COURSE,
AGRICULTURAL COURSE,
MECHANICAL COURSE.

April Dept.

La Fayette, Ind. 11/6 1882.

President Lemuel Moss,

Bloomington Ind.

Dear Sir:

I am very desirous
to get some facts from college men
bearing on the education of farmers.

I wish to ascertain

- 1st What per cent. of the young men
in the various colleges, of this and
sister states, come from the farm.
- 2nd What % of farmers' sons who enter
take a collegiate course.
- 3rd What % of farmers' sons who graduate
engage in some agricultural
pursuit.

Perhaps you may have data at
hand on the above points, which
you could give without great incon-
venience to yourself.

Any data, or in the absence
of these, an approximation will

Purdue University.

La Fayette, Ind. 188

be thankfully received, and
the favor reciprocated when
opportunity offers.

Very respt. & truly yours,

W. C. Latta.
