My Dear Sir:-

We are arranging for a course of "High School Lectures" for the fall and winter, and would like to engage you to give one. They will be delivered before the pupils of our High School, and citizens generally, and the object of them will be to raise money to increase our Library - as well as the profit to the pupils, and all who hear them. Some of them, however, will be free lectures.

We have engaged Prof D. C. Hunter to give the first and Prof. Bloss, the second. We have invited Prof. Houghton

to give the third and would like
for you to come the last before
the holidays (Christmas).

Can you favor us, and what
will be your terms? If you can
come, would like to have you subject.
Will have the course advertised as
soon as the arrangements are perfected.

Would be glad to hear from you
at your earliest convenience.

Yours most truly,
H. T. Pickel
