Rev. L. Moss, D.D.,

My dear Sir,

I had made arrangements to start to Bloomington tonight to be at the Commencement tomorrow, when I found that there would be no train upon which I could return home until day after to-morrow. I have an engagement for tomorrow night and for that reason cannot be at Commencement. I greatly regret that this is so.

Will we never be able to go to and from Bloomington without such great inconvenience?

Yours Very Truly,
H. G. Porter.
