Meadville Pa. July 5th 82
Lemuel Moss. D.D.

Dear Sir

Having noticed in the papers the resignation of your professor of Greek Rufus B. Richardson I write to make some inquiries with regard to the position.

- 1st Is the professorship still vacant?
- 2nd Does the chair include anything else but Greek?
- 3rd What is the salary?

I am professor of Greek in Allegheny College Meadville Pa and have been for five years. but am naturally desirous of doing better. I have spent three years in the German Universities in the study of my profession and have

Travelled extensively in Greece.

I think I can give you such references as will be acceptable if it is ~~suitable~~^{advantageous} for both parties that I should apply for the situation.

I send you a copy of our catalogue. please exchange

Very Truly Yours,

C. W. Reid.
