New Albany, Ind.

April 19, '83.

Doctor Moss:-

Please mail a catalogue of the University to each of the following:-

Miss Lillie Murphy, New Albany, Indiana.

Miss Maria Robellaz, " " "

and mail me three copies, so that whenever I talk "Indiana University", I can "clinch the nail" by presenting a catalogue.

The above are two of my teachers who are in earnest about going to school, or college, at Bloomington. There are, also, two young men here who I think can be persuaded to attend B. next fall.

I think I shall take several catalogues with me on my summer campaign, as I am then at work before hundreds of teachers and others; and I am sure of success, if I can get them to believe me in "University matters" as readily as I can in others. At least, I shall try.

Earnestly wishing you success, I am-

Yours truly,

W. F. L. Sanders.
