Rev. Lemuel Moss, L.L.D.,

INDIANA UNIVERSITY
JUN 3 1882

Blountsville, Ind.,
Dear Sir,

The commencement exercises of the Vincennes High School - a notable event in V. - will occur June 16, 1882; and it is earnestly hoped that you may find it convenient to attend the exercises.

Five young gentlemen and six young ladies will graduate from our institution at that time.

We are not represented at the state Univ. as we should be & as I hope we will be. We have now at least two pupils who anticipate graduating from your institution at some future date.

Anticipating a favorable reply,
I remain,

Yours fraternally,
R. A. Townsend.
