Sir.

As I am
one of the directors of the New Lon-
don High School Association. The
object of the Association or stock
company is to have as near all of
the patrons of the school to take
stock so that they will all take an
interest in the school and do all
they can to keep the interest of the
school up. We have about \$300.00
of a fund made up with over 43 stock
holders which fund is guaranteed a
term of so many months and at certain
wages. the project is a mere babe, but
by careful nursing we expect and
hope to raise it up to manhood.

We have tried it one year and have
done better than was expected. We
have three directors elected to work
in co-operation with the Trustees
to select a principal and the teach-
ers for the school. and as we are now
making preparations to hire a prin-
cipal. We as directors and interested
patrons of the school desire to employ
a good moral Christian man as a
teacher one that has considerable
experience as such and can come
well recommended. We have open-
ed a correspondence with ~~several~~
several colleges for a good teacher
and would be glad to know if you
could recommend one to us that
you think would be capable of
taking the responsibilities as a prin-
cipal. The neighborhood is Friends
Morals are up to a standard is a
religious. Educational and prosperous
one, the watch word is onward and

upwards Hoping to hear from
you soon I remain

Yours Truly

Horace. W. Tucker.
