Dear Dr. Moss ~

INDIANA UNIVERSITY
JUN 13 1882

Lemuel Moss
Pres

Accept our hearty
congratulations on the suc-
cessful termination of
another year of the Indiana
State University, with our
best wishes for its continued
and increasing prosperity
in the future.

It is a happy circumstance
that the two State Universities
of Indiana are not jealous
rivals, but ~~that~~ each supple-
ments the other, and both
promise to furnish Indiana
a complete, though unique, uni-
versity system.

Most truly yours,

E. E. White
