

BLOOMINGTON, INDIANA,

Dec 5-

1899

Mrs. Wm Roberts,
Bedford Indiana.

My dear Madam,

According to promise I write

you about your son's case.

Last year in the first two terms, besides passing out of Eng I, he made ~~one~~ ^{one} credit. The rest of his marks were failed (3), conditioned changed to failed (1), withdrawn (1), incomplete (1). On account of this poor showing he was not allowed to enter the Spring Term, although I believe he was in town.

This Fall, his mid-term report shows that his work has been very poor & that he has been absent a great deal, from other than frequent regulations, for example the 2nd & 4th hours.

The treasurer of the University, Mr. Walter Woodburn states that Mr. Roberts has paid no fees this term.

It is plain from all these facts - that it would not be a good thing for him or for you for him to attempt to re-enter.

It gives me great pain to write this. I would rather, if I followed my feelings leave you in ignorance of the facts, but I must keep my promise. With sincere regards & best wishes.
Very truly yours,
Wm Bryan.
