Mr. Edwin C. Crampton:

My dear Sir:

I congratulate you upon having received a title to the "Honor Scholarship" of the State University. However, I return the enclosed certificate, as it belongs to you. The arrangement is this: if you come to the State University next fall, desiring to become a student, & present this certificate to me, I will then give you the "honor scholarship" to which you will be entitled. Hoping to see you at the University next year -

I remain, sincerely yrs. -

John M. Coulter
