

C Church St. Cornwallis -
Kings Co - June 18th /91.

Pres. Jordan -

Dear Sir:-

I have just written
to Prof Williams concerning your last
offer. (i.e. to spend first term at Andover
& second & third at Cornell) This last
proposal strikes me as the most profitable
one for me - If Prof Williams can
arrange to get an assistant for the
first term I think the matter will be
settled as proposed by you -

I have asked him to write you
concerning it as soon as he comes to any
conclusion - I shall drop a line to
Pres Coullter, as well -

Yours very truly -
Y. F. McArthur.
