

University of Indiana,

DAVID S. JORDAN, PRESIDENT.

Bloomington, Ind. June 12, 1891.

To the Honorable the Board of Trustees,  
Indiana University;—

Gentlemen,

I am instructed by the Faculty to request the Board to have future supplies of blank diplomas so made as to require only a few representative signatures instead of those of all members of the Faculty. It might be sufficient authentication on the part of the Faculty if only the names of the President of the University, the Secretary of the Faculty, and the special Patron Professor of each graduating student were provided for, together with such attestation by the Board of Trustees as might seem to them proper.

Respectfully,

O. B. Clark,

Sec. of Fac.

Concerning Diplomas  
for  
Sen. of Faculty

Concerning Diplomas  
June 1891.
