

BLOOMINGTON, INDIANA,

Aug. 25 1891

George T. Ayer;

My dear Sir:

Upon my return from Washington I find your letter of Aug. 17 on my table. From what you say, Mr. Arthur Griffin will have no trouble in entering our Freshman class. The Latin deficiency can be made up here, as we have "catch-up" classes in Latin for that purpose. Let him bring this letter with him, & present to me, as it will avoid explanation —

Yrs. Very Truly
