

NORTHWESTERN UNIVERSITY
LAW DEPARTMENT.

CHICAGO, Nov. 3, 1892

Edwin Corr, Esq.,
Secretary Board of Trustees,
Indiana University.

Dear Sir:

I beg to acknowledge your favor of the 24th ult. conveying to me the resolutions of the Board of Trustees of Indiana University. I need hardly say that I am highly gratified at the kind sentiments expressed by the Board and that I regard such a resolution as the best reward of two years of service.

Please express to the Board my thanks for this and many other kindnesses, and assure them that I shall always take the greatest interest in the success of the University and particularly of the Law School. In my judgment you

have one of the very best foundations in the country and the University if properly supported by the people of the State is certain to take high rank among our educational institutions. I shall always esteem it an honor to have been connected with it.

Again thanking you, I remain

Very truly yours,

E. W. Huffcut
