

Ithaca N.Y. June 1st/91

Pres Coullis -

Dear Sir - After serious consideration
I have concluded to remain at Cornell for
the coming year. It seems to me in the
long run the best course to pursue - There
is nothing so essential to success of in
life as thorough training at the outset -
before assuming position of great responsibility
I have written particulars to Dr Jordan -
Thanking you very much for the favour -

I remain
Yours very truly. V. F. Masters

Pres. J. M. Coulter -
Crawfordsville -
Indiana -
