

Church St Cornwallis -
Knigs Co. June - 18th/91 -

Pres Coullis .

Dear Sir :-

I have just received
two letters from Pres. Jordan - (the last one ^{dated}
June 11th) proposing that I spend the
first term with ~~you~~ the last two terms at
Cornell - This offer seems to me the
most profitable both for my self as well
as for you - I have written to Prof.
Williams to see if he can get an
assistant for the first term - giving me
a leave of absence for that time - and
return to my old appointment for the
second & third terms - I have requested
him to write you as soon as he comes to
any conclusion -

While I feel somewhat diffident about
the lecture work, with so short a time
for preparation, I still think that it
would be unwise in me to ~~the~~
miss the advanced work at Cornell,
for the coming year—:

Hoping it will be arranged to the
satisfaction of all concerned,

Remain Yours Very truly
W. F. Marston.
