

JOHN P. D. JOHN,
PRESIDENT.

GREENCASTLE, IND.

Sept 23, 1892

My Dear President Coulter:

Mr. Isham Taylor will apply for admission to your Senior Class. His record in De Pauw University has, with one exception, been uniformly unimpeachable. The faculty have, for what seems to them a satisfactory reason, declined to admit him. In doing so we do not wish to put any bar in the way of his entering elsewhere, but hope that the opportunity may be afforded him. If you shall decide to admit him, we will not regard it a breach of intercollegiate courtesy, but will be glad that he may have the opportunity to complete his College Course. He will present credits from our books on which he would have entered full senior here.

Very Cordially Yours,
J. P. D. JohnJ. P. D. John
President M. Coulter,
Indiana University,
