

Having this day read certain charges
which I understand were preferred
by Dr Wm B. Foster against Dr. Wyein pres-
ident of the Indiana University, before the
Legislature of the State, & to which charges
my name is affixed as a witness:

This is to certify that I neither authorize
Dr Foster to affix my name to them
nor did he apply to me for that purpose
nor had he asked me to do it would I
have given my consent.

Given under my hand this 26.th day of
January 1839.
