

We the undersigned Students of the Indiana University having had read to us the following charge said to have been exhibited before the State Legislature against Dr Wylie viz
"That he has publicly threatened students that if they did not go to hear him preach on Sunday they should be marked" &c do hereby certify that we have never heard him threaten any such thing ~~but~~ either publicly or privately, but on the contrary have always understood from him when explaining our duty on this point to say that it was the will both of the Board of Trustees & his own that we should be left at perfect liberty on this subject. Subscribed in presence of the Faculty this 2d of Jan^y 1839
