

Pittsburg April 21. 1830

Dear Uncle

My cousin the Rev. J. A. Myer
the bearer of this is now on his way to
Ind. Should the boat stop any time at
Whiting he will hand you this; and
I know you will take pleasure in
paying him these attentions, which
are so grateful to a stranger, and
which every gentleman is gratified
in such case to afford.

Yours sincerely

Mr. C. Ritchie

And Myer

Mr. John or George Ritchie
