

A. W. L. D.D. Dear Sir. Detained by
high water. I have had a few hours leisure to exam-
ine your work on Sectarianism, and I am free & pleased
to inform you (without flattery) that I think it calcu-
lated to do much good. I believe that when known
it will be anxiously sought after, and it is impor-
tant you should give it an extensive circulation.
Twenty or thirty copies would sell in our neighbor-
hoods of Exeter and he will inform you
they can be forwarded.

Very Respectfully your Friend. Saml Hall
