Dear Sir

Yrs. from Bloomington without date was recd. yesterday. As you therein indicate so let it be twisted us - A complete expurgating of all unpleasant recollections -

I return with pleasure your salutation and as I am about leaving home for a long time must with regret bid you for the time farewell -

As I feel myself under very many obligations to you for things which are past - having derived advantage both from our good & bad understanding I shall remember you with gratitude - And as I am entering upon a new & in many respects dangerous theatre may I hope that at your leisure you will occasionally favor me with any suggestions which to you may seem useful to me -

In any and all matters

where it may be in my power to serve
you, I shall expect your commands.
I am, Sir, with very great esteem
and truly & sincerely yrs -
Geo. L. Drum

It may be in my power to send
you a copy of your correspondence
and I shall be very glad to hear
from you truly & sincerely yours
George Salmond
