

Nov. 1855 The Faculty meetings were regularly attended during this month and the usual reports made.

No business of importance was transacted or any necessary to be recorded.

Dec. 7, 1855

Faculty met. The usual reports in relation to the attendance and progress of the students were made.

The resignation of Prof. Read was announced to the Faculty by the President.

The Board of trustees being in session it was recommended by the Faculty that they be requested to transfer Prof. Ballantine to the chair of Languages.

Dec. 14

Faculty met. all present.

The usual class reports were made. Mr. Heath having been inattentive to his duties during the session and every effort being made in vain for his reform, it was deemed advisable to request his father to remove him from the institution. The Pres. therefore in compliance with a request of the Faculty wrote to his father to that effect.
