

Regular Meeting
15 June. 1867

Fac. met; all present except Prof. Atwater. Prayer by Prof. Hunter. Minutes read & approved. General business attended to. Frank Burkirk's case, as he was absent, was referred to a Com. consisting of President & Prof. Hunter. Walter Maxwell having been very negligent is to be tried with a period of solitary confinement under Prof. Doherty's charge, when he is ^{to be} persistent in negligence. S. Walter Burkirk's being brought up personally made such promises that the Faculty agreed to give him further time to redeem himself. There being nothing further Fac. on motion, adj.

Extra Meeting
19 June 1867

At an extra Meeting, at which all members were present, the following was, on motion adopted. Resolved that the Sec. of the Faculty be directed, in reply to the communication received from Major Whittelsey, regarding the introduction of Military Training into the College of the U.S. to express our decided approval of the plan in its outline & details & our anxious desire to see it carried into successful operation. The Faculty then considered various subjects connected with recommendations to be incorporated in the Report to the Board of Trustees and also heard Mr. Hatchinson's examination in Civil Policy & Moral Science. On motion adjourned
