

1883

Committee on examination of Miss Kate Graydon reported. After some discussion the further consideration of the matter was deferred till next meeting.

Adj't. A. A. Storer. Sec.

March 10th

The Faculty met at 8.30 A.M. All present. Prayer by Dr. Wyllie. Minutes approved. The matter of Miss Graydon's additional examination for the degree of A.M. was again brought up, discussed and referred back to the committee for further consideration and report. Examinations to begin on Sat. morning March 17th, closing on Wed. 21st. Prof. Jordan Van Vliet and Garner appointed to consider the studies of Mr. Mux and the question of his graduation with the present Junior class.

Mr. W. J. Toddle having partially failed first two terms of last Freshman year to be advised (in answer to his letter to return next fall and take the Freshman work again. But due credit may be given him for work really passed.

Mr. Conger, lately returned to college permitted to take Soph. Greek as his elective next term.

Mr. Austin, having been absent thus far this term & having lost a term last year, in the opinion of the Faculty cannot graduate with his class.

The Catalogue rule regarding making up of conditions was modified as follows.

A Conditional student who has not satisfied conditions of previous term not to be admitted to examination. The following dates for making up the conditions were fixed, Last Sat. in Feb., Last Sat. in Feb., & 1st Sat. in May.

Report of Com. that degree of M. S. be conferred upon Dr. Sartorius de Beau Curator of Ichthyology in the National Museum Washington D.C. concerned in. Chapel service for next term Sat. at 8. O'clock. After miscellaneous discussion Faculty adj't.
