Roll called

Minutes read and approved

Mr. Ringer reported that Mr. V. H. Smith stated that he thought that the University would stand the expense of the new drop lights for the Union Pool Room. The University is to investigate these wants and Mr. Ringer will report the University's findings at the next meeting.

Mr. Diggins reported that the dance of Saturday as an Open Meeting was a success. The financial report was as follows:

This made the cost of this dance come to \$8.75 which is very reasonable for an Open Meeting.
