

Indiana University

May 12, 1925

The meeting was turned over to the new board of directors.

President Hancilman briefly outlined the importance of obtaining a large number of new members for the next year.

The Union dance dated for May 29th was turned over to the Shelton Club.

It was moved ~~and~~ by Mr. Hillis and seconded that the Union have a dance on May 15 and thereby fix the date ~~and~~ stated on the Social Calendar.

Mr. Hedely made a report on interviews had by a committee from the Union Board with Deans Semboan and Edmonson on compulsory membership to the Indiana Union. The report seemed very favorable to the idea and it was suggested by both Deans that we keep the plan in mind and start general propaganda in that direction.

Meeting adjourned.
 Foster Hillis,
 Secy.
