Fleming and Robinson were absent.

Minutes of last meeting were read and approved.

The program for the Pow-wow was discussed by the Board. It was suggested that the arrangements for this affair be started earlier in the future.

Church reported that Card-cheering for this year would have to be dropped because no time would be available for the presentation in either the Illinois or Purdue games. This was due to the fact that both of these universities were bringing their bands to the games.

Greiger reported on the successful Grid-Graph presentations of the Minnesota game. Masters moved that a ten cent charge be levied for admission to all future presentations, the proceeds of which shall go to the Indiana University Band. Seconded and carried.

Herdrich, Lawrence, and Church reported on the Flying, Camera, and Chess Clubs respectively.

Meeting adjourned at 8:00.
