Committee reports:

Anderson reported that a letter has been sent to each former board member inviting them to attend the reunion banquet. A special letter has been sent to each former president urging them to get in touch with their own board members to ask them to attend the banquet.

Beck reported that the words and music to Chimes of Indiana have been printed and will be passed out to organizations.

Visher reported that 150 people attended the Open Forum with Maynard Krueger. The meeting was moved from Alumni Hall to the men's lounge. President Wells will talk on his trip to South America at the next Forum.

The following men from the board have been appointed to help on the panel for the freshman orientation program: Eason, Anderson, Bartley, Case, and Moeller.

The committee on the service workers' organization made the following recommendations:

1. An organization of the workers be established if the workers are in favor of it.
2. A banquet be held in the spring for all workers having over 25 hours of credit work. The workers must have served these hours during the year in which they attend the banquet.
3. The committee petition Blue Key and senior selection committee for a sliding scale for recognition of service workers.
4. The Union should find some project to give all men who sign up to do work an opportunity to work.

The acceptance of these recommendations will be decided upon at the next meeting.

Ricke announced that there will be a quarterback hour Wednesday evening. There will be no grid-graph for the Northwestern game.

Bartley reported that the list for distribution of the campus calendars is being formed. It was suggested that signs for the yell leaders helping them to announce the yells be made.

Krueger read a letter from the athletic department asking for advice about the kind of uniforms to buy for the yell leaders. Mr. Patrick is going to get bids and samples from manufacturers.

Mr. Patrick reported a loss of \$57.52 on the last Friday night dance.

The radio round table with Union board as the guests will be presented over WIRE from 4:45 to 5:00 Thursday, Nov. 6.

A letter from the Board of Aeons asking for a joint meeting of Union Board, AWS, and Board of Aeons to consider student government was read.

Visher moved and Moeller seconded that the Union Board attend the meeting as individuals, and answer the Aeons invitation stating that we are directors of a corporation and therefore not concerned directly with student government.

It was suggested that, since the constitution of the student congress attempts to take over some of the Union functions, we should be interested. The motion was lost.

Bartley moved and Anderson seconded that the board attend the meeting in its official capacity and express its official opinion regarding the student government. The motion was carried.

Mr. Patrick read the fiscal report.

Case moved and Moeller seconded for adjournment at 8:50.
