

April 7, 1942

Roll call: Anderson absent
Minutes read and approved.

Lucas announced that the intercollegiate bridge tournament committee has announced that the prize-winning team in the national tournament will be allowed to present a \$100 check to the Red Cross. Our bridge team will be chosen at the tournament to be run off April 20 to 24.

Visher announced that Don Herrold has been asked to draw a cartoon cover for the etiquette booklet.

Bridges reported that the selection committee for the personnel committee is composed of Dr. Hedges, Mr. Shafer, Prof. Cogshall, Mr. Patrick, and President Gates! Bob Lucas was appointed as an alternate on the committee. The selection will be April 8, at 4:00.

Mr. Patrick gave the following possibilities for speakers for the farewell banquet: Dr. John Benson of the Indianapolis medical school, President Deering of Oakland college, and Dean Stout. The board expressed its preference of these speakers.

It was suggested that there be a high table in the center of the dining room at which the outstanding senior in each school be seated. The deans and faculty could pick these men.

May 4 is the tenth anniversary of the opening of the Union, and a special program might be arranged.

Mr. Patrick read a letter from Dixie Heighway asking his help in getting interest in the foundation day program. The Union Board will also give its help, and it was suggested that the board might give a banquet honoring Jim Adams who led the drive to raise funds for the erection of the Memorial Stadium, Memorial hall, and the Union building.

Case moved and Anderson seconded that the keys and banquet for service workers be arranged next fall after the vacancies that will probably exist on the board have been filled. Motion carried.

The deadline for applications for a place on the ballot for the Union board election is April 10 at noon.

Ricke moved and Lucas seconded for adjournment at 8:00.

Approved:

Robert E. Gates
President of the Board
