

June 23, 1942.

Roll Call: MacGill and Prof. Cogshall absent.

Minutes read and approved.

Owing to the absence of Secretary MacGill during the second part of the semester it was deemed necessary to elect a Summer Secretary. James McKown was nominated by Cox, seconded by Baernkopf and the nominations were closed. McKown was declared elected.

Bridges: Service workers served as guides for Methodist Conference.

Baernkopf: The new personnel blanks have been mimeographed and the hours due the Personnel Committee have been written.

Blickman: The orchestra agencies have been written by Mr. Patrick, without much success. Better orchestras will be available at a later date. The dance will possibly be sponsored by the Union and/or Sigma Delta Chi and the Inter-Fraternity Council.

Cox: Union Service Workers served as ushers for the recent Methodist Conference.

McKown: Record Hour to have the Church memorial program on July 10.

Prof. Stith Thompson of the English department wishes to have a Record Hour devoted to folklore. The Coffee Hour committee will meet next Monday to discuss plans for the 2nd half of the semester.

Patrick: The Board should make plans for next fall during the second half of the semester. An outline of a program for the first two months would avoid confusing situations at the beginning of the semester.

Blickman moved for adjournment, McKown seconded. Adjourned at 4:25.

Approved:

*W. Lloyd Bridges*

Submitted:
