

July 21, 1942

Roll Call: Cox and Prof. Cogshall absent.

Minutes read and approved

Personnel and Posters: Bearncopf reported that new supplies for the poster committee have been purchased in sufficient quantity to last for the rest of the summer. Posters for the Prom have been started.

Record Hour and Coffee Hour: The memorial record hour for Russell Church was very unsuccessful. This could partly be accounted for by the excessive heat and the mix-up in the publicity put out by the Daily Student. A letter to the faculty has been prepared concerning the Coffee Hour. The School of Business and the Navy are the special guests this week.

Dance Committee: Blickman reported that an extensive publicity campaign has been launched for the Prom.. The queen election will be open to any regularly-enrolled coed with a petition signed by 25 men students.

Campus Calendar: Bridges pointed out that the campus calendar was put on the campus and departmental bulletin boards, and had been passed out at the dorms and to the Navy. He added that closed events had also been included in the calendar as a new feature.

McKown moved for adjournment, Blickman seconded. Adjourned 4:30.
