

Sept. 29, 1942

Roll Call: Dolaway, Ricke and Prof. Cogshall absent.

Minutes Read and approved.

Dean H.T. Briscoe addressed the Board before the business meeting on the problem of better incorporating the yeomen into University activities. He explained that there are two parts to this problem: 1) To establish more friendly co-operation between students and the sailors (who are also students) and 2) to provide entertainment for these men and for the WAVES when they arrive.

Dean Briscoe suggested that a Board member or committee take this problem under advisement and that perhaps a few Union activities could be altered to be more adequate for yeomen. He said that he believed the WAVES would ease the entertainment situation. He told the Board that the present Naval Training school probably would be adapted soon to a school for storekeepers, a higher naval rating. In answer to Gallmeyer's question, Dean Briscoe said he thought yeomen would take an active part in student activities. He suggested that the enlisted men be contacted rather than the officers. Lucas appointed Gallmeyer and MacGill to look into the situation and to report Oct. 5.

Swanson reported that there probably would be some sort of pep session before the O.S.U. game.

Bridges reported that no one took advantage of the guide service during the Butler week-end. He also said no home-coming literature was being sent out this year. Lucas brought out the fact that the Pow-wow banquet would be omitted this year, and a Pow-wow assembly in the Auditorium would be substituted. He said that the yeoman show would be after the Pow-wow.

Wolf announced that Frank Kralis, independent junior, and Dick Stull, Sigma Chi sophomore, had been selected to the Personnel committee.

Lucas complimented Gallmeyer on a successful Freshman banquet.

MacGill reported a loss of \$6.44 on the last dance. He announced that the Dance Oct. 9 would be in the style of a bar-room and cabaret.

It was announced that Ed Stuart had been appointed by the president to fill the selection committee vacancy. Bridges nominated Anderson as member-at-large of the selection committee. Cox nominated Bridges. Macgill moved the nominations closed. Swanson seconded. Anderson was elected.

Lucas told the Board the selection would be at 7 p.m. Oct. 1.

Anderson moved for adjournment. Bridges seconded. Meeting adjourned at 8:32 p.m.
