Rich opened, since all members were newly elected, and gave a short speech as to the duties of the Board and its members.

The entire Board was sworn in by Dr. Cogshall and the official badge was given to new members.

It was moved by Radigan that a president, vice-president and secretary be elected by secret ballot. Beko seconded. Carried.

Radigan moved that a nominating ballot be taken secretly and that the two with the highest number of votes will run on the final ballot. Nolan seconded. Carried.

Radigan was elected president. Meyer was elected vice-president by acclamation and Willis was elected secretary by the same method.

Davis was appointed Social Chairman of the Union Board by Radigan. Radigan then charged the new members with reading the constitution of the Board of Control so that all may be acquainted with the powers, duties, and limitations of the Board.

Rich brought up the subject of the Crane City project. Nolan moved that the Board continue its sponsorship. Beko seconded. Carried. Willis was appointed to work with the A.W.S. representative on the plans for the project. Dr. Cogshall suggested that a general student meeting be called to hear Commander Thornton on the project.

Rich announced that there would be a complimentary Union-A.W.S. dance on Saturday, May 13, 1944 but that the one which would normally take place two weeks from that date would conflict with the meeting of the Indiana A.F. of L. convention. Rich said the matter would be decided at a meeting with the A.W.S. representative in his office on Thursday at 4:30.

Radigan then explained the Indiana Men's Union in regard to membership.

Meyer moved that meetings be held weekly at 7:15. Davis seconded. Carried.
